

Membership Information

Welcome to Flagstaff Figure Skating Club! We would be happy to have you as a member. Figure skaters are participating in a graceful, athletic Olympic sport with a proud 150-year history. Here's some information to help you get started:

Skating on Club Ice

- **All skaters must be a member of FFSC or another US Figure Skating club.** Members of another US Figure Skating club must sign a waiver and pay the walk-on ice fee before they take the ice for the first time.
- **Skaters in the Learn to Skate program are not FFSC members** and must join FFSC if they wish to skate on club ice
- **All skaters using club ice must pay for their ice time**, either monthly ice fee or walk-on single session fee
- **Coaching fees are not included in membership or ice fees.** Coaching fees are paid directly to the coach.

- Skaters in a lesson with their coach have the right-of-way over all skaters except those practicing a program
- Leave the ice to talk or take a break- don't stand around on the ice
- If you need to stop momentarily, skate to the boards
